ITEC/IRM 1005 (Web Interface Development) Course

Fall 2018

Group Project Assignment – Part 2 (HTML)

Due date: Please see the course outline.

Description:

1. Design and code all the web pages of your project using **HTML**
2. Must utilize all possible HTML features that were taught during lectures and labs
   - Tables, Ordered lists, Unordered lists
   - Forms, Text fields, Text areas, Radio buttons, checkboxes, drop-down lists, range, number, etc.
3. All the code must work correct and accurately
4. Perform testing and integration of all web pages as appropriate
5. Must follow all good programming and good design guidelines from the lectures and tutorials of the course
6. Write a one-page document mentioning which group member contributed to which web pages
7. Work should be done in a professional and friendly manner within your team
8. Evaluation will include both qualitative and quantitative assessments

Submission:

Zip all the following files into a **single zip** file:

- All the code files
- All the related image or other resource files
- One-page document mentioning which group member contributed to which web pages

Submission method:

Submissions will be electronic. All the code files, images or other resources files as well as the one-page document should be submitted electronically via cuLearn by the deadline.

Grading criteria:

Task#	Description	Marks
0	A one-page refined description of what your website is going to be about	0
1	Headings and sub-headings	0.25
2	Paragraphs	0.25
3	Forms in some of the webpages	0.5
4	Links (URLs) in some of the pages	0.5
5	Text fields	0.5
6	Text areas	0.5
7	Radio buttons	0.5
8	Checkboxes	0.5
9	Select (Drop-down lists)	0.5
10	Different input types like range and numbers	0.5
11	Buttons	0.5
12	At least one Datalist element	0.5
13	Images in some of the webpages	0.5
14	Audio in some of the webpages	0.5
15	Video in some of the webpages	0.5
16	At least one youtube video (as iframe in webpage)	0.5
17	Tables in some of the webpages	0.5
18	Ordered lists in some of the webpages	0.5
19	Unordered lists in some of the webpages	0.5
20	Nested lists in some of the webpages	0.5
21	Testing and integration of all the webpages	0.5
	Total	**10**
